PUBLIC INVITED TO OPEN HOUSE ON NEW AQUATIC FEATURES PROPOSED FOR PULASKI AND NOYES INDOOR POOLS

Alternative aquatic plan developed after County Executive attempted to close both pools

Milwaukee, WI – Two Milwaukee County Supervisors, in conjunction with the Milwaukee County Parks Department, are hosting Neighborhood Open Houses for residents to give their input on two newly proposed indoor Family Aquatic Centers at Noyes Park Indoor Pool and Pulaski Park Indoor Pool.

The first open house is scheduled for **Wednesday, June 9 from 6:00pm to 8:00pm at Pulaski Park Indoor Pool, 2701 S. 16th Street**. The second open house will be at **Noyes Indoor Pool, 8235 W. Good Hope Road, on Thursday, June 10 from 6:00pm to 8:00pm**.

“I am pleased to hear from my neighbors on the plan to enhance Pulaski Indoor Pool,” Supervisor Dimitrijevic said. “Modernizing this facility will preserve this indoor recreation option and bring in even more visitors on a year-round basis.”

“This will be an excellent opportunity for residents to put their own ideas into the design of the new Noyes facility,” Supervisor Thomas said. “We can make Noyes Aquatic Center a very desirable destination that can become part of a healthy lifestyle for everyone from small children to senior citizens.”

Everyone is encouraged to attend to share their ideas and concerns both verbally and via written comment forms. Displays of other similarly sized indoor family aquatic facilities will be available for viewing. Supervisors and Parks staff will be available to answer questions and discuss project goals.
